

# Boofle's Paper Bracelet

xxx♥

## You will need:

A printer for the Boofle print-out sheet, scissors, glue or tape, and felt-tip pens or crayons (optional for decoration).

## Step 1: Cut out your bracelet band

Cut out the long rectangular strip from the printout sheet, this will be the bracelet band. Then cut out all the pieces of Boofle's face from the printout sheet.

## Step 2: Glue Boofle together

Glue the brown/beige Boofle head to the middle of the bracelet band. Then glue Boofle's ears at the top of his head. Next, glue on Boofle's nose towards the lower centre half of his head. Lastly, glue on each one of his eyes above his nose.

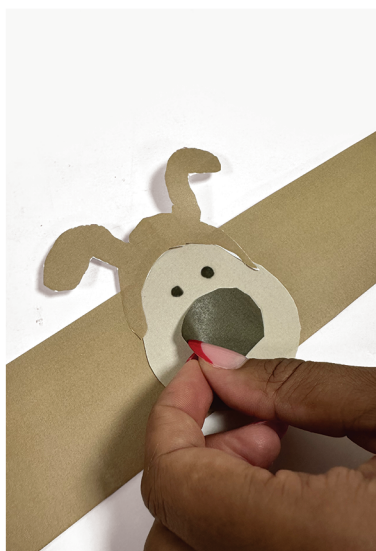

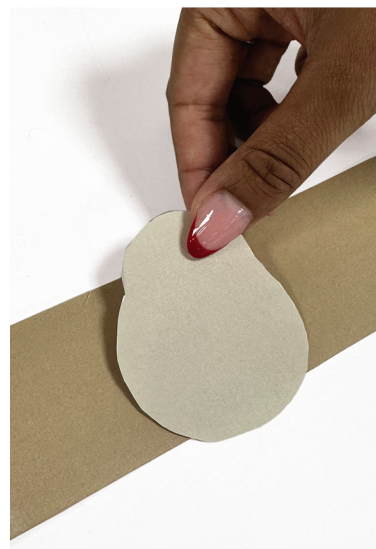

## Step 3: Decorate your Boofle bracelet

Use your felt-tip pens or crayons to decorate your bracelet band (this step is optional).

## Step 4: Wear your Boofle bracelet

Wrap your Boofle bracelet around your wrist, if needed the bracelet band can be cut shorter to fit smaller wrists. Once you have the right size and comfortable fit of your bracelet, you can now secure it with tape or glue!

Now you can show it off to all your family and friends!
