

# Roofle Headband craft

xxx♥

## You will need:

A printer (to print the cut-out sheet), scissors, a glue stick, tape (optional).

## Step 1: Print and cut out all of the pieces

Carefully cut out each piece from the second page, making sure you have all of the parts ready to start.

## Step 2: Make the headband

Attach each long rectangle to the back of Roofle's face, one on each side, to make the headband.

## Step 3: Glue Roofle together

Use a glue stick to add all the features to the face; eyes, nose, mouth, ears, and antlers.

## Step 4: Join the headband

Wrap the headband around your head and attach the ends together at the back with tape or a glue stick.
