

Easter Wreath Craft

You will need:

A printer, scissors, ribbon x2, a glue stick and/or tape.

Step 1:

Cut out all of the eggs on pages 2 and 3.

Step 2:

Glue or tape the back of an egg to stick to another egg and repeat, until you complete the circle.

Step 3:

Tape both ends of your piece of ribbon to the back of the egg you want to be at the top / center of the wreath.

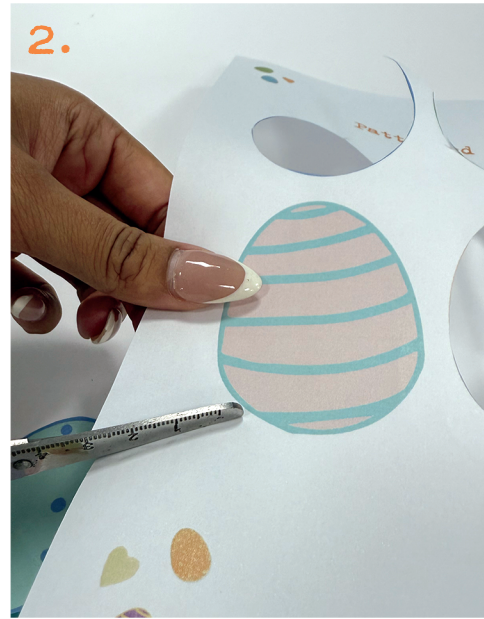

Step 4:

Create a small bow out of ribbon and tape or glue it to the front of the centered / top egg.

Step 5: Add the detail

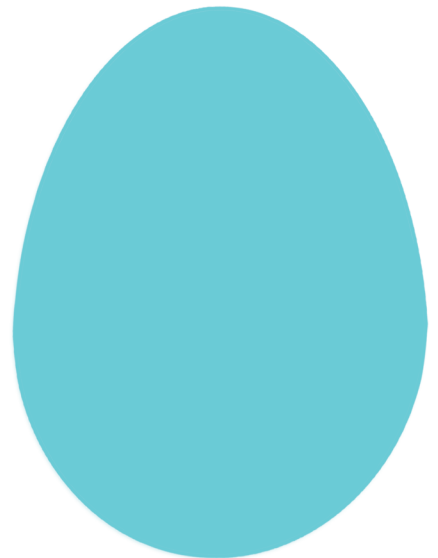

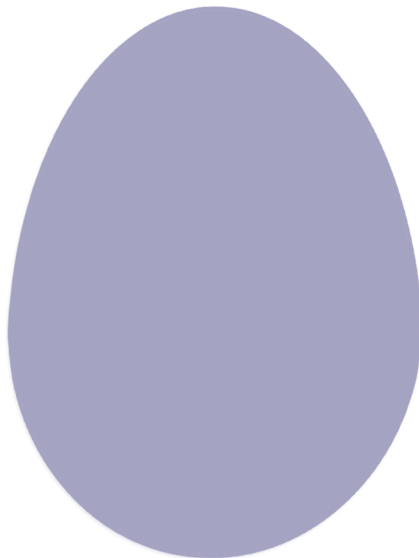

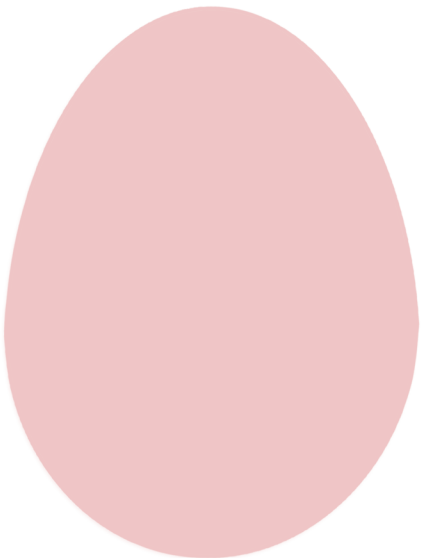

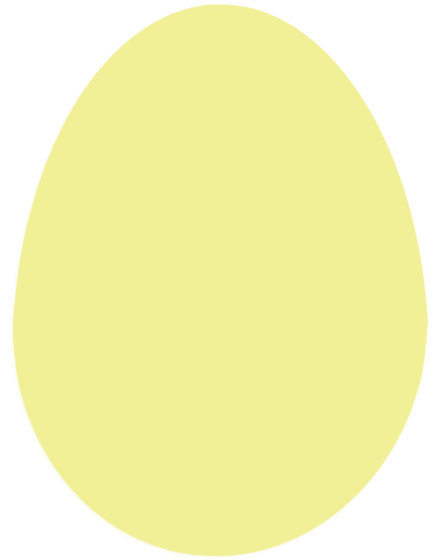

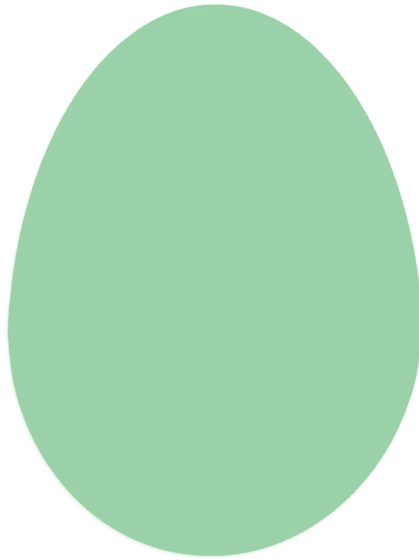

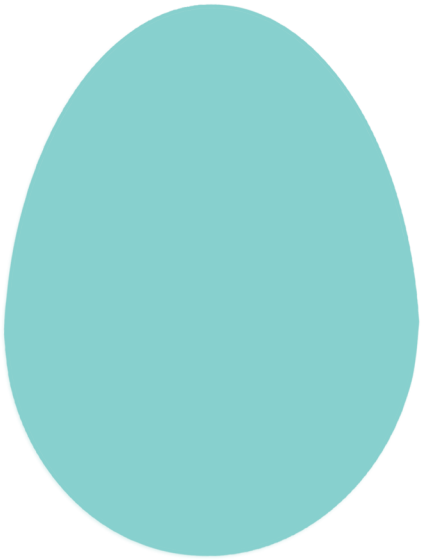

Let it dry and enjoy your Easter wreath!
